TalenTrust has over 16 years of experience serving a wide range of organizations nationwide with exceptional recruiting service. Our outsourced recruiting and contract staffing solutions can support your immediate need to hire Contact Tracers in your state, which is essential to our country's fight against COVID-19. We are a Certified Women Owned Business through the WBENC and we would be honored to serve you.

“ What Our Clients Say About Us . . .

TalenTrust services over 30 different hiring managers on our team and has become the expert on recruiting those who will be successful in our culture. TalenTrust has truly become the extension of our team. – **Ted Karakantas, CFO Bossard North America**

The TalenTrust team is excellent and so helpful. We get wonderful service from TalenTrust and we value their guidance. – **Cody Yarborough, President of Lifecycle Biotechnologies**

I knew I could turn to TalenTrust for everything I needed in recruiting as my business grew and they delivered a fixed cost that I could afford. – **Bert Miuccio, former CEO of HealthTeamWorks**
